

Product Stewardship Policy Statement

Melrob is committed to the safe supply of the products it markets in order to protect people and the environment. This includes an appropriate level of product stewardship throughout the supply chain from acquisition, transportation, storage and redistribution, to end use and disposal.

The application of this policy is determined by Melrob's legal responsibilities and the guiding principles of Responsible Care®.

A handwritten signature in black ink that reads "I. Melliush".

Ian Melliush, Managing Director
Melrob Group
